Kestrel Heights School will enroll any student who is selected in our blind lottery admission process. In the case of homeschooled students or students coming from unaccredited private schools, KHS will base all enrollment decisions on nationally recognized testing results the student may have completed; or we will have such student take a series of tests to assess their appropriate grade placement.

The Corporation for Effective Schooling governs Kestrel Heights School, a nonprofit corporation that does not discriminate on the basis of gender, race, religion, national origin, age, disability, or measures of achievement or aptitude in admissions. This Charter School reserves the right to accept or deny admission on a case-by-case basis to students who are under long-term suspension or expulsion by another public school. Kestrel Heights School (KHS) offers a unique educational opportunity that requires full-time student attendance.
